About the Yacht: Monte Carlo Yachts 76

Monte Carlo Yachts is the fastest-growing Italian brand in the luxury motor yacht segment, known for its stylish and original Italian design, manufacturing excellence and unprecedented levels of customization. It has developed and launched a range of award-winning models that have been recognized for both their style and their performance. Supported by the industrial strengths of France's Beneteau Group, the full collection is designed by the world-famous Nuvolari Lenard design studio, which has introduced features and materials once used only on megayachts. montecarloyachts.it

About the Creative Director

Madrid-born, Miami-based Nuria Carrasco Dominguez is the epitome of today's new renaissance artist. A real visionary, Dominguez's work is bright, bold, innovative and conceptually unique. In recent years, she has immersed herself into the exploration of diverse mediums and new venues of expression, combining her experience in costume design with her work as a fashion designer and creative director for a variety of fashion and art-related projects.
